Border Cancer Collaboration

Supporting cancer patients, their carers and health professionals in the Albury & Wodonga regions

Palliative Care Service Areas in Albury, Wodonga, and Border Cancer Network

This document is designed to assist health care providers to locate Palliative Care Services based on the *patient's residential postcode*. This list has been developed as part of the Multidisciplinary Team Development Project (a NSW Cancer Institute/GSAHS initiative) in consultation with Palliative Care Nurses. Whilst all efforts have been made to provide correct information, its content cannot be guaranteed and is subject to change. Created: May 2008

Border Cancer Collaboration

Vision: The Border Cancer Collaboration model is recognised as providing national leadership & innovation in the way health services are coordinated at a local level, leading to better patient outcomes.
Mission: The Border Cancer Collaboration, through innovation & leadership, works together to provide support for cancer patients, their carers and health professionals in the Albury/Wodonga region.
